vs.

Bob Riley, et al.,  
DefendantsCase No. 2:07-CV-692-WKW  
[WO]~~Request~~ Request For Extension Of Time

Comes now Roy Lee McAteer, the plaintiff in the above styled cause and moves this Honorable Court to grant this request for extension of time and in support thereof states the following:

1. This Honorable Court issued an order on September 25<sup>th</sup> - a recommendation - that plaintiff's request for preliminary injunction be denied and further that failure to file written objections to the proposed findings in the Recommendation shall bar plaintiff from a de novo determination by the District Court of issues covered in the report and shall bar party from attacking on appeal factual findings in the report.
2. Plaintiff is clearly laboring - in his endeavor to pursue the issues he has brought before the Court - under horrendous conditions i.e., restricted access to law library resources, eight to nine hours a week.

confinement in a dormitory type housing environment that is filled to over double its intended capacity.

3. It would not be adverse to the interests of the defendants, the Courts, or the public to grant plaintiff an extension, and in fact would hinder the orderly process of this litigation.

4. Plaintiff further states to the Court that he has no intention of filing continuous motions for extensions in this matter and that, if given sufficient time, the Court will appreciate the comprehensiveness of plaintiff's arguments.

### Conclusion - Relief Sought

1. A 20 day extension to the October 8th deadline.
2. Any and all further relief as the Court deems just and proper.

Respectfully submitted this ~~2nd day of September~~ 5th day of October 2007.

Roy McAttee 147346  
Plaintiff
